## Resolution of Disputes

In the event of a dispute between a student and the school, procedures are in place to facilitate the resolution of the dispute. Complaints should first be made to the School Principal or Centre Manager. Each complaint will be fully investigated provided that it is received within 30 days of the course ending and all fees have been paid. If the matter is not resolved, the student should complain in writing to the Oxford International Head Office. All our schools in England are accredited by the British Council and are members of English UK. Schools in Canada are accredited by Languages Canada, PTIB (Vancouver) and MTCU (Toronto). Schools in the USA are accredited by CEA and BPPE. These organisations handle unresolved complaints about our service.

## Attendance

Students must attend a minimum of 80% of their classes otherwise they may lose their place on the course and may not be eligible for a final certificate. No refunds will be given and where applicable the relevant authorities will be informed which could result in having to leave the country of study and jeopardise any future visa applications. It is the responsibility of students to inform the school of all illness and absence.
