MID-TERM INTAKE Includes additional 3-week break at the end of the course. * Includes additional 2 weeks break at the end of the course due to 2 Christmas breaks during the course.

AUSTRALIA

ADELAIDE | BRISBANE | MELBOURNE | SYDNEY

Study Schedule/Delivery Mode*

In all of our programs, you will build a timetable which combines 6 hours per week of online study and 14 hours per week of in-class study. The online study component includes exercises and resources to help with assignments and to provide foundational academic and learning skills.

Assessment Essentials during COVID-19 will be delivered both synchronously and asynchronously to help students meet their study and learning objectives.

In-class study schedules combine the core lecture with foundation skills and PASS classes. You must attend both lectures, as each lecture covers different content.

- PASS classes are Practical Assessment Support Sessions. In PASS classes, you will meet with your trainer to discuss any questions you may have about study or assessments.
- Assessment Essentials sessions help you build language and other skills for business. You will learn to speak and present ideas with confidence. Topics include running meetings, writing business emails, negotiating and giving presentations.

**Due to COVID, many programs are currently being delivered online. Students are expected to have a computer or tablet that enables them to connect to the Internet in order to review material and submit assessments."*

GREYSTONE COLLEGE TRAINING FACILITIES AND RESOURCES

Greystone College campuses are fully equipped with all the resources and facilities required to successfully undertake this program including computer labs, software, free WIFI, photocopiers, charging stations, and student lounge. It is highly recommended you bring your own laptop (device) to enhance your campus experience. All course resources are available to students via their personal login to the Learning Management System (Moodle). Students can track their progress and academic success.

BOOTCAMP

Bootcamp is a free service designed to keep you on track. Juggling a busy lifestyle with study and work can be tough; our free Bootcamp program is available to help students catch up on assessments if they fall behind.

COURSE RESOURCES

The Online Course Resource Library provides students with informative links and information. Resources are easily searched by course unit or topic and make your learning easier. On the Online Learning Management System (LMS), all class assessments, student workbooks, and extra resources that support class delivery are available for download. Test and assessment results are posted in student files. Students can use the LMS to message other students in their classes or their trainer if they have questions or want to connect.
